

WELBORNE CHRISTIAN PRESCHOOL PARENT VOLUNTEER FORM

At Welborne Christian Preschool, we believe that parent involvement is very important. We hope that parents will always feel free to let us know how and when they would like to help in and out of the classroom. By volunteering, you get to know your child's teacher and friends in the classroom, and children love to have their parents become involved in classroom activities! We need parents to help teachers in the classroom either on a regular basis or occasionally. We need parents to drive on field trips, to come to the classes and share their special interests, hobbies, and vocations with the children, and to substitute teach if one of our teachers is absent. If you would be willing to do any of these, please indicate below.
