

FANTASTIC FRIDAYS

This Friday class is offered to the children that are registered in the 2-day 3's, 3-day 3's and the JK classes. Fantastic Fridays has the same hours as our other classes (9am-12pm). You can sign up for the class a semester at a time.

We feel this class not only gives the children one more day of preschool but also a day of hands on learning experience and an opportunity for the children to explore, investigate, think and play creatively. This class is taught by Mrs. Maddock. There will be a class limit of 12 children and will be a first come, first served. The Registration Form below will need to be completed to have your child registered for the class. If this is something that you think would interest your child, please fill out the form below. **All forms are due with Registration for next year (2018-19).**
